1. This Branch currently believes that the Soviet installations associated with production or assembly of guided missiles are as listed in Attachment A.

25X1X7

2. In addition to this listing of targets, the [REDACTED] 25X1X7

[REDACTED] are regularly revised to reflect areas and facilities suspected of guided missile associations and these Briefs are maintained on a current basis. We strongly suggest that both the [REDACTED]

25X1X7

[REDACTED] be used in briefing [REDACTED] 25X1X7

3. The Guided Missile Branch, ORR, and the Guided Missile Division, OSI, have recently produced a Collection Planning Aid on the Soviet ICBM Program. This Aid lists [REDACTED]

25X1X1

[REDACTED] intelligence requirements, and discusses various collection media applicable to Soviet installations concerned with development, production, and operational deployment of ballistic missile systems. We plan to forward this Planning Aid to [REDACTED] in the near future.
